

Add a new dimension to your pond by bringing it to life at night. With today's busy lifestyle, it is often difficult to enjoy your pond or landscape during the day. With Aquascape's complete line of pond and landscape lighting, enjoying your garden is easy - day or night.

► **1-Watt 12 Volt LED Bullet Spotlight**

Aquascape's Bullet Spotlight's compact size and powerful output makes it an extremely versatile fixture. The Bullet Spotlight is ideal for highlighting focal points and can be used in and out of the water.

- Includes two different mounting platforms, adjustable stand, and stake
- Compact design also allows the fixture to be tucked between the rock walls allowing the light to virtually disappear in the water feature. The Bullet Spotlight is also great for AquaBasin™ decorative features
- Comes standard with a single warm high output white LED bulb
- Replaceable diodes are available in white, red, blue, green, yellow
- 15' cord with quick connect plug is included
